## GIFT AID

I would wish to claim gift aid on my donation today and in the future.

If this is a personal donation and if you pay enough UK income or capital gains tax this year we will be able to claim an additional 25p in gift aid from the government for every £1 you donate, at no extra cost to you.

For us to do so it is necessary for you to sign the following declaration:-

I confirm that I have paid or will pay an amount of Income Tax and/or Capital gains Tax for each tax year that is at least equal to the amount of tax that all the charities that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand the charity will reclaim 25p of tax on every £1 that I give on or after 6 April 2008. If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your gift aid donations on your Self-assessment tax return or ask HM revenue and Customs to adjust your tax code. Please notify us if you want to cancel this declaration, change your home address, or no longer pay sufficient tax on your income/capital gains.
